

## Animal Science – Science Option

Agriculture & Life Sciences | Animal Science

Amber Skinner | [animalscience.tamu.edu](http://animalscience.tamu.edu)

### RECOMMENDED COURSEWORK FOR ADMISSION

Course Title	Credits	TCCNS Number	TAMU Course Number
Business Math I	3	MATH 1324	MATH 140 or 141
Business Math II	3	MATH 1325	MATH 142
Chemistry I	4	CHEM 1411(1311/1111)	CHEM 101/111
Chemistry II	4	CHEM 1412 (1312/1112)	CHEM 102/112

### ADDITIONAL COURSEWORK TO COMPLETE

Course Title	Credits	TCCNS Number	TAMU Course Number
Communication	6		<a href="http://core.tamu.edu">core.tamu.edu</a>
American History	6	HIST 1301 & HIST 1302	HIST 105 & HIST 106
Government / Political Science	6	GOVT 2305 & GOVT 2306	POLS 206 & POLS 207
Language, Philosophy & Culture	3		<a href="http://core.tamu.edu">core.tamu.edu</a>
Creative Arts	3		<a href="http://core.tamu.edu">core.tamu.edu</a>
Social & Behavioral Sciences	3		<a href="http://core.tamu.edu">core.tamu.edu</a>

Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#).

### Transfer Course Sheet Notes

- ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
- Depending on the institution MATH 1324 may be a direct equivalent to either MATH 140 or 141 at Texas A&M University. Either MATH 140 or 141 will satisfy the core math requirement for this major. Please check our [equivalency](#) website for your sending institution.
- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

### Additional Transfer Requirements

- 3.0 overall GPA on 24 transferrable hours (minimum).
- Having completed the minimum requirements does not guarantee admission.

### Additional Information

- Emphasis will be placed on students maximizing transfer hours fulfilling University Core Curriculum.
- Excessive grades of D's, F's, Q's, NG's and/or W's should be addressed in your essay. What have you done to correct this performance?
- As a transfer applicant you are required to complete Essay A as part of the application, answer the following:
  - o Why do you want to be an Animal Science major?
  - o How will an Animal Science degree help you achieve your career goals?
  - o Explain any excessive grades of D's, F's, Q's, NG's and/or W's, if necessary.
- Meeting with an academic advisor is strongly recommended prior to application.
- Please contact department regarding second-choice major consideration before applying.

# Department of Animal Science

## **Off-Campus Transfer Requirements for Animal Science Majors Effective for applicants applying for Fall 2016 admittance and thereafter**

The following items are required for initial consideration to transfer into the Animal Science Department as an Animal Science major, in addition to the University and College of Agriculture and Life Sciences requirements:

- Have completed at least 24 graded transferable hours with a cumulative GPA of at least a 3.0 to be competitive.
- 

The following items are required for initial consideration to transfer into the Animal Science Department as an Animal Science major. Students should contact an ANSC Academic Advisor or review the ANSC website to determine which degree option is suitable.

- **Science Option**
    - Complete CHEM 101, CHEM 111- General Chemistry I
    - Complete CHEM 102, CHEM 112- General Chemistry II
    - Two core curriculum Math courses – Preferably MATH 141 & MATH 142
    - Grades of “B” or better are preferred in the above course work.
  - **Production/Industry Option**
    - Complete CHEM 101, CHEM 111- General Chemistry I
    - Complete BIOL 111 or BIOL 107- General Biology I or Zoology
    - Two core curriculum Math courses– Preferably MATH 141 & MATH 142
- 

- Emphasis will be placed on students maximizing transfer hours fulfilling University Core Curriculum.
- Preference is given to students with 45 hours or more completed at the time of application.
- As a transfer applicant you are required to complete Essay “A” as part of the application. The essay portion of the application will be considered along with the above criteria. Open the Essay “A” document and answer the following questions in your essay:
  1. Why do you want to be an Animal Science major?
  2. What are your career goals, and how will an Animal Science degree help you achieve your career goals?
  3. Explain any relevant background information that has led you to choose those career goals.
- Explain any excessive grades of D’s, F’s, Q’s, NG’s and/or W’s, if necessary. Excessive grades of D’s, F’s, Q’s, NG’s and/or W’s should be addressed in your essay. What have you done to correct this performance?

**Applicants are reviewed by committee and admitted on a competitive basis. Meeting the minimum requirements listed does not guarantee admission.**
