Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#).

Transfer Course Sheet Notes

1. ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
2. MATH 1324 from some institutions will not be a direct equivalent to MATH 141 at Texas A&M University but will satisfy the core math requirement for this major.
3. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
4. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

Additional Transfer Requirements

- 2.5 overall GPA on 24 transferrable hours (minimum).
- Having completed the minimum requirements does not guarantee admission.

Additional Information

- Meeting with an academic advisor is strongly recommended prior to application.
- Please contact department regarding second-choice major consideration before applying.
- Please answer the following questions in your essay:
 - o Why do you want a Nutritional Sciences or Food Science degree?
 - o How will a Nutritional Sciences or Food Science degree help you meet your career goals?
