Transfer Course Sheet Notes

1. ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
2. MATH 1324 from some institutions will not be a direct equivalent to MATH 141 at Texas A&M University but will satisfy the core math requirement for this major.
3. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
4. This Transfer Course Sheet was supported in a partnership between The Office of Admissions and College of Education & Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

Additional Transfer Requirements

- 2.75 GPA on 24 hours of graded transferable coursework (minimum).
- Students with a GPA below 2.75 but at or above 2.5 may also be considered on a case by cases basis.

Additional Information

- Second-choice majors are not considered.
- An additional University Studies application may also be required from the College of Education & Human Development, see appropriate messaging when submitting the application on ApplyTexas. Once students are admitted to a University Studies degree plan, they are considered majors in the college of their concentration and should consult with an advisor in that college.
