Transfer Course Sheet Notes

- ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- This Transfer Course Sheet was supported in a partnership between The Office of Admissions and the Dwight Look College of Engineering at Texas A&M at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

Additional Transfer Requirements

- 3.0 GPA on 24 hours of graded transferable coursework (minimum).
- Second-choice majors are considered.

Additional Information

- For additional information, prospective transfer students are encouraged to visit engineering.tamu.edu/apply/transfer-students
- A carefully formulated essay can have a positive effect if the applicant has unusual circumstances.
- Degree candidates will be required to fulfill the following [University Core Curriculum Requirements](http://www.tamu.edu/core) to graduate: American history electives, government electives, a social and behavioral science elective, and a creative arts elective. These are options for additional coursework that your institution may offer to complete.
