Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#).

### Transfer Course Sheet Notes

- ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
- Depending on the institution MATH 1324 may be a direct equivalent to either MATH 140 or 141 at Texas A&M University. Either MATH 140 or 141 will satisfy the core math requirement for this major. Please check our [equivalency](#) website for your sending institution.
- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

### Additional Transfer Requirements

- 3.0 overall GPA is preferred.
- Grades of "B" or better in required coursework is preferred.
- 24 transferrable hours (minimum) required

### Additional Information

- Emphasis will be placed on students maximizing transfer hours fulfilling University Core Curriculum.
- Excessive grades of D's, F's, Q's, NG's and/or W's should be addressed in your essay. What have you done to correct this performance?
- As a transfer applicant you are required to complete Essay A as part of the application, answer the following:
  - o Why do you want to be an Animal Science major?
  - o How will an Animal Science degree help you achieve your career goals? Describe any relevant background information in relation to your goals.
  - o Explain any excessive grades of D's, F's, Q's, NG's and/or W's, if necessary.
- Meeting with an academic advisor in this department is strongly recommended prior to application.
- Applicants are reviewed by a committee and admitted on a competitive basis. Meeting the minimum requirements does not guarantee admission.
- Please contact department regarding second-choice major consideration before applying.
