Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#).

Transfer Course Sheet Notes

- ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
- MATH 1324 from some institutions will not be a direct equivalent to MATH 141 at Texas A&M University but will satisfy the core math requirement for this major.
- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

Additional Transfer Requirements

- 2.5 overall GPA on 24 transferrable hours (minimum).
- Having completed the minimum requirements does not guarantee admission.
- Second-choice majors are **NOT** considered.

Additional Information

- Meeting with an academic advisor in this department is strongly recommended prior to application, for more information please contact nfscadvisors@tamu.edu
- Applicants are strongly encouraged to review additional transfer information for Nutrition or Food Science at <http://nfs.tamu.edu/academics/undergraduate-programs/transferring-to-nutrition-and-food-science/>
- Please answer the following questions in your essay:

o Why do you want a Nutritional Sciences or Food Science degree?

o How will a Nutritional Sciences or Food Science degree help you meet your career goals?
