Transfer Course Sheet Notes

1. MATH 1324 from some institutions will not be a direct equivalent to MATH 141 at Texas A&M University but will satisfy the core math requirement for this major.
2. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
3. This Transfer Course Sheet was supported in a partnership between The Office of Admissions and College of Education & Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
