2018-2019 Transfer Course Sheet
Minimum GPA | Highly Competitive
Minimum Transferable Hours | 24
Second-Choice Major Eligible | NO

Coursework Timeline

- Competitive applicants will have the Required Coursework completed by the application deadline.
- Spring coursework **will not** be considered for summer/fall applicants.

Additional Information

- Plan early. Transfer applicants are strongly encouraged to connect with a Texas A&M University admissions counselor as soon as an interest in Texas A&M University is identified.
- Mays admits 100 transfer students each year.
- Transfer students are admitted for summer or fall semesters only. **No spring admissions.** Mays admits its complete transfer admission class in the original review of applications; as such, spring grades are not considered.
- Applicants need a grade of "A" in most courses to be competitive. Courses in progress at the time of application are considered incomplete.
- Applicants are encouraged to use the required essay as an opportunity to identify their past accomplishments, discuss what they hope to study at Texas A&M University, and describe how their undergraduate business education will help them meet goals after graduation. Application essays are read and reviewed for content, presentation and style.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.
- Preference is given to applicants ready to join Mays' junior class upon arrival at Texas A&M.
- Although Mays does not state a specific number of Maximum Transferable Hours, acceptance of transfer credit for business courses will generally be limited to those courses taught in the freshman and sophomore years at Texas A&M University. **Mays undergraduate students must take all 300- and 400- level business coursework in residence at Texas A&M University.**
- Mays' undergraduate program is subject to strict enrollment management. Although no minimum GPA is required, the competitive nature of transfer admission to Mays results in denial of many highly qualified applicants. **IMPORTANT:** Transfer applicants are instructed **NOT** to accept transfer admission to a non-business major with the expectation of later applying for an on-campus change of major.
