Composition I or II	3	ENGL 1301 or 1302	ENGL 103 or ENGL 104

- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- PHIL 2303 is the equivalent of PHIL 240 and can be used instead of MATH 142.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but **will not** satisfy the Mathematics requirements in this degree plan. It can count as an elective credit.
- ENGL 1301 **or** ENGL 1302 will satisfy the Core Communication requirement. If a student has both courses, the additional course will go to elective credit.
- Students may want to check with an EAHR Advisor prior to taking an elective. Electives may already be met with previous coursework.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.
