

International applicants are not eligible for application fee waivers.

Freshman Waivers

Applicants requesting a fee waiver must submit an SAT/ACT fee waiver request form (must have the applicant's original signature and the counselor's signature where applicable), or submit a memo on school letterhead, signed by the high school counselor, verifying the student is on the federally funded free/reduced lunch program. Checking the fee waiver box on the application does not satisfy the fee waiver requirement. You must provide documentation of need as noted above. The application needs to be submitted before the waiver document. We recommend the correct form or letter be uploaded through the Applicant Information System (AIS). Fee waiver request documents will also be accepted by mail.

Graduate Waivers

The \$50.00 fee required of U.S. citizens or permanent residents may be waived only in exceptional cases for low-income applicants and McNair Scholars. To receive the waiver, low-income applicants must submit an awards letter from their current school's financial aid office showing the award of a Pell Grant. The applicant's SAR (Student Aid Report) from a current FAFSA can also be submitted to show financial need. The awards letter or SAR will be reviewed to verify if the applicant is eligible for a waiver. McNair Scholars must submit a letter from their McNair Program Director verifying their status as a McNair Scholar in good standing to receive the fee waiver. Waiver request documents should include the applicant's full name, address, date of birth, application semester, the name and title of the verifying officer and date of the request. We recommend the correct letter or form be uploaded through the Applicant Information System (AIS). Fee waiver request documents will also be accepted by mail.
