<td></td>
<td>CHEM 107/117</td>
</tr>
</tbody>
</table>

Courses listed should be completed with a grade of B or better.

*Students attending an institution without an equivalent to CHEM 107/117 can transfer an equivalent to Fundamentals of Chemistry II (CHEM 102/112) to fulfill the CHEM 107/117 requirement.*

Students who have completed the above coursework will have a stronger and more competitive application.

### Additional Transfer Requirements
- 3.0 overall GPA on 24 transferrable hours (minimum).
- Second-choice majors are considered.

### Additional Information
- Prospective transfer students can visit [http://engineering.tamu.edu/apply/transfer-students](http://engineering.tamu.edu/apply/transfer-students) for additional information.
- Essays are reviewed in borderline cases. Department looks for expressed interest in the major, and/or some indication that the student has experience in the field of Aerospace Engineering, and/or some explanation of borderline performance (e.g. medical issues, family crisis, etc.).
- Degree candidates will be required to fulfill the following [University Core Curriculum Requirements](http://engineering.tamu.edu/apply/transfer-students) to graduate: American history electives, government electives, a social and behavioral science elective, and a creative arts elective. These are options for additional coursework that your institution may offer to complete.

### Transfer Course Sheet Notes
1. ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
2. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
3. This Transfer Course Sheet was supported in a partnership between The Office of Admissions and the Dwight Look College of Engineering at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
Scholarship Information

Please see the Texas A&M University Scholarship and Financial Aid Website at https://scholarships.tamu.edu/

Incoming transfer students are not eligible for departmental scholarships.

Students can apply for departmental specific scholarships after their first semester at A&M using the Continuing Student Scholarship Application posted at https://scholarships.tamu.edu/CONTINUING-STUDENTS/Available-Scholarships.

International Opportunities

The College of Engineering encourages students to develop a deeper understanding of other cultures in preparation for a successful career in an increasingly diverse and global economy. Programs are offered in Brazil, China, Germany, Italy, Qatar, Spain, to name a few. Engineering students who participate in credit-bearing international experience during a semester or summer are awarded a one-time competitive scholarship. For more information, please visit the following website: http://engineering.tamu.edu/international.

Internship Opportunities

The department recommends that students participate in co-op or internship programs but does not require them for graduation. For more information about possible co-ops and internships please visit careercenter.tamu.edu/
