2021-2022 Transfer Course Sheet
 Minimum GPA | 2.5
 Minimum Transferable Hours | 24
 Maximum Transferable Hours | 60
 Second-Choice Major Eligible | Yes
 Must meet with an Academic Advisor

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Math for Business and Social Sciences	3	MATH 1324	MATH 140
Life and Physical Sciences	4	PHYS 1401	PHYS 201

- Courses should be completed with a grade of D or better.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or MATH 1325 or PHYS 1401.
- College Algebra is a transferable course but will not satisfy the Mathematics requirements in this degree plan.
- Geology/Chemistry can be accepted as a science requirement.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.

First Year

FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.
ENGL 1302	ENGL 104	Intro to Composition & Rhetoric	3
MATH 1324	MATH 140	Math for Business and Social Sciences	3
ECON 2302	ECON 202	Principles of Economics	3
HIST 1301	HIST 105	History of the U.S.	3
Total			12

SPRING SEMESTER

TCCNS	TAMU	Course Name	Hrs.
PHYS 1401	PHYS 201	College Physics	4
ACCT 2301	ACCT 229	Intro to Accounting	3
HIST 1302	HIST 106	History of the U.S.	3
	core.tamu.edu	Life & Physical Science*	1-3
Total			11-13

- ENGL 1301 is a transferable course but **will not** satisfy the Communication requirements in this degree plan, but may be required in order to take ENGL 1302.

*Consult with a Construction Science Academic Advisor

Second Year

FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.
	core.tamu.edu	Creative Arts	3
GOVT 2305	POLS 206	American National Government	3
ENGL 2311	ENGL 210	Scientific & Technical Writing	3
MATH 1325	MATH 142	Business Calculus	3
Total			12

SPRING SEMESTER

TCCNS	TAMU	Course Name	Hrs.
	core.tamu.edu	Language Philosophy & Culture	3
GOVT 2306	POLS 207	State & Local Government	3
		**General Elective	3
GEOL 1403 or CHEM 1411	GEOL 101/102 or CHEM 101/111	Principles of Geology or Fundamentals of Chemistry	4
Total			13

- Consider taking courses that fulfill the 3 hours of [International and Cultural Diversity requirement](#) when completing the Language, Philosophy & Culture and Creative Arts requirements.

**General Elective Requirements can be fulfilled by any approved/transferable college course and will have to be a Cultural Discourse (CD) Course to meet graduation requirements.

There are additional credit hours generally associated with the first two years of this degree plan that are only available to take at Texas A&M University. This program will take longer than two years to finish.

IMPORTANT: Students who wish to have the most competitive application possible should schedule a meeting with a Construction Science Academic Advisor prior to submitting their application. You may contact an advisor for an appointment at coscadvising@arch.tamu.edu.

2021-2022 Transfer Course Sheet
Minimum GPA | 2.5
Minimum Transferable Hours | 24
Maximum Transferable Hours | 60
Second-Choice Major Eligible | Yes
Must meet with an Academic Advisor

Coursework Timeline

- Competitive applicants will have the required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Department of Construction Science is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.
- Students who wish to have the most competitive application possible should schedule a meeting with a Construction Science Academic Advisor prior to submitting their application.

Additional Information

- Applicants should be serious about earning a degree in Construction Science.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

This major prepares students to enter the construction industry in various positions with the ability to lead, problem solve, and use innovative applications on their construction projects. Specialized course work in building systems, materials and methods of construction, scheduling, cost estimating, structures, construction management, law, and business/labor relations are taught. This interdisciplinary approach provides students with exposure to the various tools needed to become a construction industry leader. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Architecture at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
