- Courses listed should be completed with a grade of C or better.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but will **not** satisfy the Mathematics requirements in this degree plan.
- Students may transfer ANY lab science that meets [TAMU Core Curriculum Requirements](#). *BIOL 1408, 1406 and GEOL 1403 are RECOMMENDED FOR STUDENTS WANTING TO COMPLETE MIDDLE GRADES CERTIFICATION.*

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.

### Coursework Timeline

- Competitive applicants will have the Required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Required coursework completed by the end of Summer II semester before applying.

### Additional Transfer Requirements

- Transfer applicants should have completed 24 hours of coursework, which include both math and two science courses from the list above, at time of application. Courses in progress at time of application are not considered in our review for transfer admission.
- Students should strive to complete both math and two science courses from the list above with grades of 'C' or better.
- Students should strive to maintain a cumulative GPR of 2.75 or greater on all college courses that transfer to TAMU.
- The Teaching, Learning, and Culture Department is looking for students who are interested in pursuing our degrees as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing one of our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

### Additional Information

- Applicants should be serious about earning a degree in Interdisciplinary Studies as indicated by their first choice major preference on the Apply Texas Transfer Application.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

### Career & Educational Opportunities

The Math/Science specialist program is a specific strand in the Middle Grades (4-8) Certification program at Texas A&M University. It is a field-based program, with students spending extensive time in middle schools. To enter the certification program, students must first be admitted to Teacher Education.
