

**Required Coursework for Admission**

Course Name	Hrs.	TCCNS	TAMU
CHEMISTRY I	4	CHEM 1411 (1311/1111)	CHEM 119
PHYSICS I	4	PHYS 1401 (1301/1111)	PHYS 201

- CHEMISTRY I and PHYSICS I must be completed with grades of C or better for admission consideration.
- All courses listed should be completed with a grade of C or better.
- Having completed the minimum requirements above does not guarantee transfer admission.
- Strongly recommend advising appointment with Department of Nutrition and Food Science prior to applying for transfer.
- An essay is used in the transfer review process when considering applicants for approval.

**Recommended Coursework for Admission**

Course Name	Hrs.	TCCNS	TAMU
MATH	3	MATH 1324	MATH 140
MATH	3	MATH 1325	MATH 142
CHEMISTRY II or PHYSICS II	4	CHEM 1412 (1312/1112) or PHYS 1402	CHEM 120 or PHYS 202
ACCOUNTING I	3	ACCT 2301	ACCT 229

- MATH I, II, CHEM II or PHYS II, ACCT 1 are not required courses for admission consideration. Completing these courses are recommended for competitive applicants.

**The recommendations below represent what a typical TAMU NFSC student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU NFSC degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.**

**First Year**

**FALL SEMESTER**

TCCNS	TAMU	Course Name	Hrs.
HIST 1301	HIST 105	American History	3
CHEM 1411 (1311/1111)	CHEM 119	Chemistry I	4
MATH 1324	MATH 140	Business Math I	3
ENGL 1301	ENGL 103	Composition and Rhetoric	3
<b>Total</b>			<b>13</b>

**SPRING SEMESTER**

TCCNS	TAMU	Course Name	Hrs.
ANTH 2351	ANTH 210	Social and Cultural Anthropology	3
PHYS 1401	PHYS 201	College Physics	4
MATH 1325	MATH 142	Business Math II	3

2021-2022 Transfer Course Sheet  
 Minimum GPA - 2.75  
 Minimum Transferable Hours - 24  
 Maximum Transferable Hours - 70  
 Second-Choice Major Eligible - NO

## Second Year

### FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.
ENGL 2311	ENGL 210	Technical Writing	3
AGRI 2317	AGEC 105	Agricultural Economics	3
PHYS 1402 or CHEM 1412 (1312, 1112)	PHYS 202 or CHEM 120	College Physics 2 or Chemistry 2	4
GOVT 2305	POLS 206	Government/Political Science	3
<b>Total</b>			<b>13</b>

### SPRING SEMESTER

TCCNS	TAMU	Course Name	Hrs.
ACCT 2301	ACCT 229	Accounting I	3
ARTS 1304	ARTS 150	Art History II	3
ECON 2301 or 2302	ECON 202 or ECON 203	Principles of Economics 1 or 2	3
GOVT 2306	POLS 207	Government/Political Science	3
<b>Total</b>			<b>13</b>

- GEOG 1303 **or** ARTS 1303 can satisfy the 3 hours of [International and Cultural Diversity requirement](#) at Texas A&M University *as well as* the Language, Philosophy, and Culture **or** the Creative Arts Core Curriculum requirements respectively. NOTE: TAMU requires a 3 hour course in Cultural Discourse that must be completed at TAMU (see <https://core.tamu.edu> for more information).

### Coursework Timeline

- Competitive applicants will have the Required and Recommended coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Required and Recommended coursework completed by the end of Summer II semester before applying.

### Additional Transfer Requirements

- The Department of Nutrition and Food Science is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.

### Additional Information

- Applicants should be serious about earning a degree in Food Systems Industry Management.
- Transfer applicants are instructed NOT to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.
- Contacting an academic advisor in this department is strongly recommended prior to application.

### Career & Educational Opportunities

World food production must increase 70% by the year 2050 to feed an additional 2.3 billion people. Food processing, safety, and quality systems are critical for enhancing food security.

To provide a safe and accessible food supply, the food industry needs more people trained in creating distribution systems, managing development of food products, and understanding economic forces impacting these structures. In addition, consumers are increasingly demanding locally sourced foods and becoming more engaged in the life cycle of foods they eat. A degree is needed to educate Texans on products and food-related processes suited to their community's needs.

The **Food Systems Industry Management (FSIM)** major provides training for the next generation of food industry managers. This major is a collaboration among the Departments of Nutrition and Food Science, Biological and Agricultural Engineering, and Agricultural Economics. FSIM focuses on research and development as well as best practices. For more information please visit [careercenter.tamu.edu](http://careercenter.tamu.edu).

### Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
