

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Math for Business and Social Sciences	3	MATH 1324	MATH 140
Calculus for Business & Social Sciences	3	MATH 1325	MATH 142
Life and Physical Science	4	core.tamu.edu	core.tamu.edu
Life and Physical Science	4	core.tamu.edu	core.tamu.edu

- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- PHIL 2303 is the equivalent of PHIL 240 and can be used instead of MATH 142.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but will **not** satisfy the Mathematics requirements in this degree plan.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.

First Year

2021-2022 Transfer Course Sheet
Minimum GPA | 2.75 preferred
Minimum Transferable Hours | 24
Second-Choice Major Eligible | NO

Coursework Timeline

- Competitive applicants will have the Recommended or Required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee of admission.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Recommended or Required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Department of Educational Administration and Human Development is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Technology Management.
- Transfer applicants are instructed NOT to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

This major explores how technology applications are the processes through which information and training are delivered and productivity enhanced. Since technology is a part of the productivity environment in all segments of our economy, this degree is designed and demands both managerial and technical skills. The Bachelor of Science in Technology Management is designed for students who have an interest in technology management in both the private sector and the public sector. A strong internship program provides the graduate with direct experience in the development and management of technology in a real work environment. These internships are designed to match the backgrounds and work interests of the student. The degree allows for a wide range of potential employment and accommodation to a diverse educational and professional experience. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Education and Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
