2021-2022 Transfer Course Sheet
Minimum GPA | 3.00
Minimum Transferable Hours | 24
Maximum Transferable Hours | 75
Second-Choice Major Eligible | YES

• Coursework Timeline

- Competitive applicants may wish to have the Recommended or Required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term may wish to have the Required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- Transfer applicants should have completed a full semester (spring or fall) course load of 12 transferable hours (minimum) after graduating from high school.
- The Department of Communication is looking for students who are interested in pursuing one of our five degrees and **graduating** with a degree in either Communication or in Telecommunication Media Studies or University Studies-Journalism Studies. Students should indicate our department as the primary major they are interested in if they wish to be admitted. For this degree, the essay and supporting materials should reflect that the student is interested in pursuing our BS-Telecommunication Media Studies degree.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.
- Maximum credit hours listed are hours completed at the time of application. All courses completed, regardless of degree applicability, are considered including transcripted credit by exam hours.
- Applicants cannot select which hours are transferable, or opt to exclude completed hours, and all hours will be factored when calculating maximum transferable hours.

Additional Information

- Applicants should be serious about earning a degree in Communication or Telecommunication Media Studies
- Transfer applicants are instructed NOT to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

The BS in TCMS features a specialized study of telecommunication, media and quantitative systems. Students select communication courses that address media industries, law and policy, technology and society, media audiences, processes, and effects. The practice of media and acquisition of media skills are included. Students may customize this degree by selecting additional coursework to round out their particular media interests. The degree is supported with the study of research methods and quantitative concepts in statistics and research design. Our students may become media designers, digital media experts, online administrators, content producers, film makers, digital media specialists, industry leaders, government officials, politicians, writers, artists, and informed citizens, preparing students for media-related positions in business, government, non-profit organizations, and higher education. TCMS-BS students will select a minor. They have the option to select a certificate in Global Media, Health Communication, Leadership & Conflict Management, Social Media, Strategic Communication or Communication, Diversity and Social Justice.
