TEXAS A&M UNIVERSITY
ADMISSIONS GUIDE

MAJORS

AGRICULTURAL ECONOMICS

LEADING IN THE FIELD

This flexible undergraduate degree provides a knowledge base necessary for employment opportunities in a variety of both non-agricultural and agricultural industries.

tx.ag/mcallenAE

BIOMEDICAL SCIENCES

JUST WHAT THE DOCTOR ORDERED

Biomedical science is the broad field of applied biology related to health and disease. The primary purpose is to prepare people at the college level for productive futures in a changing world.

tx.ag/mcallenBIMS

INTERDISCIPLINARY ENGINEERING

ENGINEERING, POWERED BY YOU

Interdisciplinary engineering offers degree options for students who want to specialize in a non-traditional engineering field or blend disciplines such as engineering and architecture.

tx.ag/mcallenITDE

MULTIDISCIPLINARY ENGINEERING TECHNOLOGY

PLUG IN

This new undergraduate program emphasizes mechatronics, a multidisciplinary field that includes a combination of mechanical, electrical, communications, control and computer systems.

tx.ag/mcallenMXET

PUBLIC HEALTH

STRONGER COMMUNITIES, HEALTHY PEOPLE - OUR TRADITION

Students in this program learn how to create a healthier world. Among other things, they explore health disparities in underserved populations, struggles within America's health care system and cutting-edge innovations to fight the deadliest diseases.

ADMISSIONS ESSENTIALS

To apply to Texas A&M, make sure you submit the following:

- 1 An ApplyTexas or Coalition Admissions Application**
Both applications open July 1 and close December 1. Application details can be found at admissions.tamu.edu/freshman.
- 2 Essay A**
Essay prompt can be found at tx.ag/essay.
Additional essays will not be reviewed.
- 3 A nonrefundable \$75 application fee or fee waiver**
The application fee for international applicants is \$90.
(Fees are subject to change.)
- 4 Self-Reported Academic Record (SRAR)***
Replaces the high school transcript requirement in most cases.
- 5 SAT or ACT scores** sent from the testing agency.
Essay/writing component is not required.

*SELF-REPORTED ACADEMIC RECORD (SRAR)

All freshman applicants must complete a SRAR with a few exceptions. Created online using the high school transcript, the SRAR is a self-reported student academic record that lists all courses, grades, GPA, class rank if available on the transcript, and graduation plan. The SRAR cannot be submitted prior to the application but you can and should work on it as soon as possible. See admissions website for exceptions.

tx.ag/SRAR

All documents must be received (not postmarked) by the deadline.

12TH GRADE TO 12TH MAN

TOP 10%

Requirements:

- attend a public or private high school in Texas, and
- rank in the top 10% of your graduating class on or before the application deadline, and
- satisfy the State of Texas Uniform Admission Policy (admissions.tamu.edu/uap), and
- complete the Foundation plan with the Distinguished Level of Achievement.

Texas residents reporting a top ten percent ranking must also provide verification of ranking by submitting an official high school transcript with a relative numeric ranking via TReX or the upload feature in our Applicant Information System (AIS).

REVIEW ADMITS

Your complete application file will be reviewed in a holistic manner.

For additional information about how to be admitted to Texas A&M University visit tx.ag/admit2tamu.

ENGINEERING REVIEW

All applications to the College of Engineering will be holistically reviewed for admission into General Engineering.

Applicants to the College of Engineering will be asked to answer an engineering specific short answer question as part of their application.

The early action deadline for the College of Engineering is October 15.

DO WELL. DO GOOD.

From academic excellence to selfless service, Texas A&M University is home to the leaders of tomorrow.

Aggies grow in knowledge in the classroom, develop the tools needed to create change and graduate ready to build a better world. The core values of Excellence, Integrity, Leadership, Loyalty, Respect and Selfless Service are the foundation of an Aggie education and are at the heart of all Aggies – past, present and future.

If you are ready to grow in knowledge in the classroom, develop the tools needed to create change and build a better world, then you are ready to become an Aggie. At Texas A&M, you will receive the resources and support to do well in the classroom so that you can enter the world prepared to do good.
