2018-2019 Transfer Course Sheet
 Minimum GPA | 2.5
 Minimum Transferable Hours | 24
 Maximum Transferable Hours | 60
 Second-Choice Major Eligible | Yes

Recommended Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Finite Mathematics	3	MATH 1324	MATH 140
College Physics	4	PHYS 1401	PHYS 201

- Courses should be completed with a grade of D or better.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or MATH 1325 or PHYS 1401.
- College Algebra is a transferable course but will not satisfy the Mathematics requirements in this degree plan.
- Geology/Chemistry can be accepted as a science requirement

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.

- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the recommended coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Department of Construction Science is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Construction Science.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Architecture at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
