2024-2025 Transfer Course Sheet

Minimum GPA | 3.0 Minimum Transferable Hours | 24 Second-Choice Major Eligible | NO

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
MATH for Business & Soc Sci	3	MATH 1324	MATH 140
Science (See note**)	8	See note**	See note**
Introduction to Formal Logic	3	PHIL 2303	PHIL 240
Elementary Statistical Inference	3	MATH 1342 or MATH 1442	STAT 201
Composition & Rhetoric	3	ENGL 1301 or 1302	ENGL 103 or 104

The courses listed should be completed with a grade of C or better.

- Application decisions are subject to department capacity limits.
- Applicants should identify interest in the ITSV Program in the essay.
- Courses listed should be completed with a grade of C or better.
- College Algebra and Trigonometry Pre-Calculus are transferable courses but will not satisfy the Mathematics requirements in this degree plan.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major recommends specific coursework to be completed.

First Year

FALL SEMESTER

[•] Consider taking courses that fulfill the 3 hours of <u>International and Cultural Diversity requirement</u> when completing the Social and Behavioral Sciences and Creative Arts requirements.

^{**}The BA in ITSV degree requires 9 credits of core curriculum science; see core.tamu.edu for the list of approved course option

^{*}Either ENGL 1301 or ENGL 1302 will fulfill three of the six required credit hours of Communication requirements

Information Technology Service Management College of Engineering Engineering Technology and Industrial Distribution ETID-advising@tamu.edu | 979-845-4951 tx.ag/ETIDAdvisors

2024-2025 Transfer Course Sheet Minimum GPA | 3.0 Minimum Transferable Hours | 24 Second-Choice Major Eligible | NO

Coursework Timeline

- Competitive applicants will have the Required coursework **completed** by the application deadline.
- Applicants to the summer/fall term may be asked to submit spring final grades, this is not a guarantee.
- Summer coursework will not be considered by admissions for summer/fall applicants.
- Fall coursework will not be considered by admissions for spring applicants.
- Applicants to the spring term should have the Recommended coursework completed by the end of the Summer II semester before applying.

Additional Transfer Requirements

- Transfer applicants should have completed a full semester (spring or fall) course load of 12 transferable hours (minimum) after graduating from high school.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Information Technology Service Management.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.
- The department may consider in-progress coursework if it is listed on the student's application.

Career & Educational Opportunities

The Bachelor of Arts in Information Technology Service Management (BA-ITSV) will provide students with in-depth knowledge, hands-on experience, and practical skills in implementing and managing information technology to optimize value generation for the organization. The 120-credit-hour program will prepare graduates to enter the Information Technology (IT) field as professionals who understand that technical proficiencies are but one component of providing IT products and services that support organizational success. While providing a broad spectrum of technical knowledge, the proposed program also focuses on the profound importance of integrating people, organizations, information, technology, and value streams. Students will study the organizational factors, management and leadership approaches, and technology competencies necessary to deliver IT services in a dynamic and agile environment. The program will equip students with the necessary knowledge and skills to leverage IT opportunities to achieve organizational goals. The BA-ITSV program could lead to a wide variety of careers in information technology, including IT support, business analyst, data analyst, systems administrator, information security analyst, product, project, or IT manager or director.

Transfer Course Sheet Notes

- 1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- 2. Transfer applicants are encouraged to complete <u>University Core Curriculum</u> coursework found in the <u>Undergraduate Catalog</u> unless specified above.
- 3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Engineering at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
