2024-2025 Transfer Course Sheet

Minimum GPA | 2.75 Minimum Transferable Hours | 24 Maximum Transferable Hours | 75 Second-Choice Major Eligible | NO

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Mathematics	6		<u>catalog.tamu.edu</u>

This transfer course sheet is applicable for applicants applying between August 1st, 2024 and October 15th, 2025.

- The essay and supporting materials should reflect interest, and/or experience in earning teacher certification in agriculture, food, and natural resources (AFNR).
- Students with less than 45 completed hours must have completed at least 18 hours of Core curriculum, including 2 Core Curriculum Math courses.
- Students with 45 or more hours completed must have completed all of the Core Curriculum, including 2 Core Curriculum Math courses.
- Students applying to AGSC must have a 2.75 cumulative GPA or higher at the time that their application is submitted.
- The Department of Agricultural Leadership, Education, and Communications does accept MATH 1314 (MATH 102) from previous institutions as a Core Curriculum Math.
- The Department of Agricultural Leadership, Education, and Communications accepts transferrable by title courses from previous institution(s) Core Curriculum/general education requirements.
- Only one of the following will satisfy the requirements for a degree: MATH 140, MATH 141, MATH 166, and MATH 168.
- Only one of the following will satisfy the requirements for a degree: MATH 131, MATH 142, MATH 147, MATH 151, and MATH 171.
- Only one of the following will satisfy the requirements for a degree: STAT 201, STAT 301, STAT 302 and STAT 303.
- Title IX: All TAMU employees who become aware of discrimination, harassment (including sexual violence) and/or retaliation must report it regardless of how they become aware of the information.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires specific coursework to be completed.

First Year

2024-2025 Transfer Course Sheet

Minimum GPA | 2.75 Minimum Transferable Hours | 24 Maximum Transferable Hours | 75 Second-Choice Major Eligible | NO

- Consider taking courses that fulfill the 6 hours of <u>International and Cultural Diversity and Cultural Discourse requirement</u> when completing the Language, Philosophy, and Culture requirement, general electives, or Creative Arts requirement.
- Consider AGRI 1131, 1307, 1327, 1329, 2321 2330, or a fourth credit (for laboratory) in introductory animal science (AGRI 1419 or 1119), introductory agronomy (AGRI 1407 or 1107), introductory horticulture (AGRI 1415 or 1115), etc.

Coursework Timeline

- Competitive applicants will have the required coursework completed by the application deadline.
- Applicants to the summer/fall term may be asked to submit spring final grades; however, this is not a guarantee for admission.
- Summer coursework will not be considered for summer/fall applicants.
- Fall coursework will not be considered for spring applicants.
- Applicants applying for a spring term should have the required coursework completed by the end of the summer II semester before applying.

Additional Transfer Requirements

- The Department of Agricultural Leadership, Education, and Communications is looking for students who are interested in completing an Agricultural Science degree and earning teacher certification in agriculture, food, and natural resources (AFNR).
- The essay and supporting materials should reflect interest, and/or experience in becoming certified as a secondary teacher of agriculture, food, and natural resources in Texas.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Agricultural Science should **NOT** be thought of as a general agriculture degree.
- Agricultural Science majors may only graduate in Spring semesters.
- ALL AGSC majors are required to student teach at a public high school in Texas, selected by the faculty, during their last Spring semester.
- It is highly recommended that applicants meet with an academic advisor prior to submitting their application.
- It is recommended that applicants have no more than 65-degree applicable courses completed for the AGSC major.

Transfer Course Sheet Notes

- 1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- 2. Transfer applicants are encouraged to complete <u>University Core Curriculum</u> coursework found in the TAMU <u>Undergraduate Catalog</u> unless specified above.
- 3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
