2024-2025 Transfer Course Sheet
 Minimum GPA | 2.5
 (3.0 for a competitive application)
 Minimum Transferable Hours | 24
 Maximum Transferable Hours | 60
 Second-Choice Major Eligible | No
 Recommended to meet with
 Academic Advisor

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Math for Business and Social Sciences	3	MATH 1324	MATH 140
Math Business Calculus	3	MATH 1325	MATH 142
Life and Physical Sciences*	4	PHYS 1401	PHYS 201

This transfer course sheet is applicable for applicants applying between August 1st, 2024 and October 15th, 2025.

- Courses should be completed with a grade of D or better. In some situations, a C or better is required as a pre-req for the next sequence course.
- Students may have to complete prerequisites at their institution before taking MATH 1324 or MATH 1325 or PHYS 1401.
- College Algebra is a transferable course but will not satisfy the mathematics requirements in this degree plan.
- * Geology/Chemistry can be accepted as a science requirement, but applicant will be more competitive with Physics complete. Geology/Chemistry also will not replace the Physics requirement. Physics is still required to be taken after admittance.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.

First Year

FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.
ENGL 1302	ENGL 104	Intro to Composition & Rhetoric	3
MATH 1324	MATH 140	Math for Business and Social Sciences	3
ECON 2302	ECON 202	Principles of Economics	3
HIST 1301	HIST 105	History of the U.S.	3
Total			12

SPRING SEMESTER

TCCNS	TAMU	Course Name	Hrs.
PHYS 1401	PHYS 201	College Physics	4
ACCT 2301	ACCT 229	Intro to Accounting	3
HIST 1302	HIST 106	History of the U.S.	3
ENGL 2311	ENGL 210	Technical and Professional Writing	3
Total			13

- ENGL 1301 is a transferable course but **will not** satisfy the Communication requirements in this degree plan but may be required in order to take ENGL 1302.

Second Year

FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.
GOVT 2305	POLS 206	American National Government	3
GEOL 1403 or CHEM 1411	GEOL 101/102 or CHEM 101/111	Principles of Geology or Fundamentals of Chemistry	4
MATH 1325	MATH 142	Business Calculus	3
	core.tamu.edu	Creative Arts	3
Total			13

SPRING SEMESTER

TCCNS	TAMU	Course Name	Hrs.
GOVT 2306	POLS 207	State & Local Government	3
BUSI 2301	MGMT 209	Principles of Business Regulations and Law	3
Total			6

There are additional credit hours generally associated with the first two years of this degree plan that are only available to take at Texas A&M University. This program will take longer than two years to finish.

Coursework Timeline

- Competitive applicants will have the required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants for the spring term should have the required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Department of Construction Science is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Construction Science.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

This major prepares students to enter the construction industry in various positions with the ability to lead, problem solve, and use innovative applications on their construction projects. Specialized course work in building systems, materials and methods of construction, scheduling, cost estimating, structures, construction management, law, and business/labor relations are taught. This interdisciplinary approach provides students with exposure to the various tools needed to become a construction industry leader. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the most competitive application looking at GPA, the most appropriate courses completed, and an essay demonstrating an interest in Construction Science.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Architecture at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
