This transfer course sheet is applicable for applicants applying between August 1st, 2024 and October 15th, 2025.

*For Mathematics credit PHIL 2303 (PHIL 240) **will not be accepted** towards the Dance Science degree plan.

**If a student opts to take BIOL 1406 (BIOL 111) they will also have to take BIOL 1407 (BIOL 112) to be eligible for future science courses.

- In addition to meeting the academic preferences for transfer consideration into the Dance Science program, applicants must also pass an audition with the dance faculty. Information about the audition can be found [here](#).
- Students should strive to maintain a cumulative GPA of 2.75 or greater on all college courses that transfer to TAMU.
- The Dance Science program is looking for students who are interested in pursuing our degree as a focus. Students should indicate our program as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.
- Student may only transfer in 10 credit hours of dance technique to count toward their degree. The remaining 12 hours must be completed in the Texas A&M Dance Program.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.

Additional Information

- Applicants should be serious about earning a degree in Dance Science as indicated by their first-choice major preference on the Apply Texas Transfer Application.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

The Dance Science BS is offered to prepare and educate students to enter the field of dance science. Dance Scientists are professionals who are employed by dance companies and dance training facilities throughout the world to devise effective training programs as well as advise the dancers regarding nutrition, injury prevention/care, and dance psychology. Dance Scientists also become researchers, dance therapists, massage therapists, and better-informed dancers and teachers. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Performance, Visualization and Fine Arts at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
