

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Chemistry I	4	CHEM 1411 (1311/1111)	CHEM 119
Biology I	4	BIOL 1406 (1306/1106)	BIOL 111
MATH	3	MATH 1324 MATH 1325 MATH 2412 MATH 2413 PHIL 2303	MATH 140 MATH 142 MATH 150 MATH 151 PHIL 240
Communications	3	ENGL 1301 ENGL 1302 SPCH 1315 ENGL 2311	ENGL 103 ENGL 104 COMM 203 ENGL 210

This transfer course sheet is applicable for applicants applying between August 1st, 2024 and October 15th, 2025.

- Courses listed must be completed with a grade of C or better.
- Participation in collegiate judging teams is preferred and should be listed in accompanying essay.
- TAMU core curriculum mathematics courses with a MATH prefix are acceptable for this major. See core.tamu.edu for full list of acceptable mathematics courses. STAT 201 (MATH 1342) will **not** be accepted for this major.

The recommendations below represent what a typical TAMU student’s schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements.

You may not have to complete the coursework in the sequence below, as certain courses may not be offered at your institution, but this major requires or recommends specific coursework to be completed.

First Year

FALL SEMESTER

TCCNS	TAMU	Course Name	Hrs.

2024-2025 Transfer Course Sheet
Minimum GPA: 3.0
Minimum Transferable Hours: 24
Maximum Transferable Hours: 85
Second-Choice Major Eligible: Yes

- Consider taking courses that fulfill the 6 hours of **International and Cultural Diversity requirement** when completing the Language, Philosophy, Culture and Creative Arts requirements.

Coursework Timeline

- Competitive applicants will have the required coursework completed by the application deadline.
- Summer coursework **will not** be considered for summer/fall applicants.
- Applicants to the spring term should have the required coursework completed by the end of Summer II semester before applying.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.

Additional Transfer Requirements

- Students intending to participate on a collegiate judging team should explicitly list JUDGING TEAM participation in their essay.
- The Department of Animal Science is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- The essay will be reviewed and considered. The essay should address why the student wishes to be an ANSC major, and how the major will help the student achieve future career goals. Any relevant background information may be discussed. Any excessive grades of D's, F's, Q's, NG's and/or W's should be explained.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Animal Science.
- Applicants should indicate in the essay which degree option they wish to pursue (Science or Production/Industry Option).
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.
- Please contact department regarding second-choice major consideration before applying.
- Highly recommend meeting with an academic advisor prior to submitting the application.

Career & Educational Opportunities

From medicine (veterinary or human) to animal marketing, Animal Science majors have knowledge and experience in animal breeding and genetics; equine, dairy, and meat science; animal nutrition; and physiology of reproduction. Students who plan to attend veterinary, medical, pharmacy or graduate school are encouraged to select the **science option** while students seeking careers in animal production, agricultural extension work, or feed sales usually select the animal **production/industry option**. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete University Core Curriculum coursework found in the Undergraduate Catalog unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
